UPSC Civil Services Personality Test (Interview)

The candidates coming out successfully in the written examination will be interviewed by a panel of interviewers. It can be described as test of 'Wisdom', not just knowledge. As the knowledge is already tested in Prelims, Mains stages, the questions on matters of general interest will be asked. The objective of the interview is to assess the personal suitability of a candidate for a career in public service, by competent and unbiased observers. The interview, in broad terms, is an assessment of intellectual qualities as well as social trait and his interest in current affairs. An attempt is made to judge some important qualities as: mental alertness, critical powers of assimilation, clear and logical exposition, balanced judgement, variety and depth of interest, ability for social cohesion and leadership, intellectual and moral integrity

Where are the Interviews conducted?

Actual UPSC interviews are conducted at Delhi at UPSC headquarter Dholapur House on Shahjahan Road in Delhi.

Is there any document for reference of Panellists containing detailed information about the candidates?

The interviewers will have before them a record of the career of the candidate called as DAF I, II. It has details like interests, hobbies, positions of leadership, place of birth, employment details, educational background, optional subject, etc.

Can I get to see recording of earlier UPSC interviews ?

UPSC interviews are not recorded for public viewing due to confidentiality. For educational purposes and insight, you may watch mock interview sessions conducted by Chanakya Mandal Pariwar by scanning the QR Code given here

UPSC Course Designed by Chanakya Mandal Pariwar

Considering all these details of the UPSC exam, Chanakya Mandal Pariwar, with it's proven legacy of success continuously from 1996, has designed this course for you all.
The course structure in Chanakya Mandal Pariwar is created to make student empowered to face this challenging exam. We at Chanakya Mandal Pariwar believe that even though there is no one-size-fits-all approach, there are some common principles which are crucial for success. Some of these important principles are as given below:

Mindset of being Civil Servant:

Civil servants are expected to be problem-solvers, not just arm-chair critics.
We try to bring in that 'Problem Solving approach' by not just making students aware of complexities of national, international, social issues but also making them aware of tried and tasted models of overcoming these challenges by regular interactions with Serving and Retired officers, Activists, Policy Makers, Subject Experts, etc.

And after all, each session of Dharmadhikari Sir is a treasure trove of such insightfully enriching experiences of his 10 years of being activist, 10 years of being civil servant and 26+ years of guiding officers, students across the country, and his life-long journey of consistent quest for knowledge.

All these things combined instill that orientation towards 'Service' aspect of Civil Services, which is most important in preparation, and also during actual service.

Building analytical thought process:

Important for all 3 stages of exam. In Prelims, to solve tricky questions; in Mains for putting your balanced thoughts in limited words effectively; in Interview to present a mature outlook towards complex issues.
We believe that "Education is not the learning of facts but the training of the Mind to think." And to encourage this thought process we have our interactive free-flowing sessions in such a manner where students know that their questions are always welcome. We also arrange for panel discussion sessions with our faculty members and experts. On various issues, we make them think, make notes and discuss using '5W-1H' principle to bring in all aspects in perspective.

Exam Oriented Approach:

It is often seen that a few candidates have lot of knowledge and wisdom, but because of directionless studies which are not on the lines of what UPSC exam demands from a candidate, it becomes difficult for them to get good scores in Prelims, Mains, etc.

To ensure that this does not happen, from the first session itself, we insist on being exam-oriented. Quest for the knowledge, wisdom is endless, everyone should pursue that throughout his/her life. But, for the upcoming year, when the student is preparing for a competitive exam like UPSC, he/she should always be thinking 'Is the article I am reading relevant for the exam ?', 'Is the TV debate that I am listening to useful my success in exam?' , 'How can I use this information/opinion/fact in my answer writing', etc.

Once a student has a good command on the previous year questions of UPSC, he/she will be in better position to tackle think on these lines. For that, we keep releasing latest versions of our previous year question paper analysis book 'UPSC Vijaypath'. Our sessions also has references of relevant previous year questions and reasoning of UPSC to ask that question in that particular year. It helps students to develop that aptitude to separate the what from the chaff, it becomes especially necessary, in the age of information-overload.

Originality and clarity in outlook:

Important for Mains answer writing to bring in element of novelty; Important for Interview to present your genuine depth of understanding.
"In a world deluged by irrelevant information, clarity is power." To enhance this originality and clarity, we urge students to go to the depth of the issues, read multiple quality relevant articles, books, etc. to think out of the box. We arrange for brainstorming discussion sessions to bring out their creativity to make them come up with original perspectives.

Methodical MCQ Practice:

"It is better to take many small steps in the right direction than to make a great leap forward only to stumble backwards". For that, we have yearlong Prelims Test Series which makes students master MCQ solving techniques. And regular sessions of MCQ strategy, elimination techniques are arranged so that students keep on improving with each test. Even though predicting UPSC questions and/topics is not possible, it is experience of our aspirants that many of our questions do resemble UPSC questions.

Intensive Answer Writing Practice:

Development in all above 3 qualities will be futile if students can't express these things in words. If you talk to any candidate who has cleared the exam, he will tell you the importance of answer writing. We keep repeating "What you practice is what you'll do", and for that, we arrange for regular answer writing practice at end of most of our sessions and at the end of modules. Also, there is a year-long Mains Test Series which incrementally enhances students' confidence by detailed feedback by expert team of faculties. For answer writing, remember that "It is never too early" to start practicing.
Many answer copies of Mains appearing candidates are evaluated personally by Dharmadhikari Sir. Thousands of students convey that this detailed evaluation has made them sail through Mains examination with ease.
And it is testimony to the efforts of our expert faculties that 2019 Mains Test Series questions of about 600+ marks were replicated in actual UPSC Mains 2019.

Presenting your best version in interview is the key to success:

Interview preparation is an ongoing process throughout the life. Generally, we observe that, few students are really fearful of facing the interview panel mainly due to perceived unpredictability of questions, awe-induced fear of interaction with senior expert panelists, etc. "Fear not! Uncertainty is the fertile ground of endless possibilities." So as to remove this fear and to sharpen the preparation of interview, we have various initiatives, most of them are organized after Mains exam is over.
Initially, special session to guide students to fill up their DAF (Detailed Application Form) is arranged wherein students are guided about filling up hobbies, interests, cadre and service preferences, etc. We also arrange for Interview Seminars wherein experts in soft skills, behavioral analysis, subject experts give comprehensive guidance to students. Specific sessions are also arranged for questions based on issues related to home state, cadre preferences, service preferences, etc.

The highest point of Interview Preparation initiative is our Mock Interview. Our mock interviews are conducted in Pune, Mumbai and Delhi which are conducted by eminent panelists from all across India. Some of the panelists are as mentioned below:

Chanakya Mandal has immensely helped me to shape my worldview in conformity with eternal and age-old values of Indian civilization. All the aspirants who wish to excel in their careers will certainly gain true knowledge with a sense of purpose by actively involving themselves in various activities of this Institution.

Vishal Solanki (IAS - 2005)

There are many institutes which can guide you in your journey of becoming a civil servant, but there are few which help build character as well. Chanakya Mandal Pariwar has been the crucible in while steel of my character has been tempered under able vigilance of Avinash Dharmadhikari sir. Had it not been for him, my poor mother would have never been able to support my preparation as I would have to pay the fees which he waived for me. I am indebted to him, and to CMP, for making me who I am - a Karyakarta Adhikari

Varunkumar Baranwal (IAS-2014)

2015 साली जेव्हा मी यूपीएससीची तयारी करण्याचा निर्णय घेतला तेव्हा चाणक्य मंडल परिवार हा माझा पहिला आणि एकमेक पर्याय होता. मी चाणक्य मंडलमध्ये 2015-16 चा UPSC Comprehensive Course केला. इथे मला पूर्वपरीक्षा, मुख्य परीक्षा आणि मुलाखतीचे पूर्ण मार्गदर्शन मिळाले. जेव्हा जेव्हा मी आयोगाच्या मुलाखतीसाठी पात्र ठरलो होतो तेव्हा तेव्हा मी धर्माधिकारी सरांकडे Mock Interview दिले. सरांच्या मार्गदर्शनाचा आणि Feedback चा खूप फायदा झाला. चाणक्य मंडलने मला फॅकल्टी म्हणून शिकवण्याची सुद्धा संधी दिली त्यामुळे माझा अभ्यास होण्यास फार मदत झाली. इथे मला अभ्यासाचे मार्गदर्शन तर उत्तमरीत्या मिळालेच परंतु बऱ्याच अपयशानंतर जेव्हा मी मानसिकदृष्ट्या ढासळलो होतो तेव्हा मला धीर देण्याचं काम धर्माधिकारी सरांनी केलं त्याबद्दल सरांचा मी नेहमी ऋणी असेल.

Ashutosh Kulkarni (IAS-2019)

चाणक्य मंडलमध्ये शिक्षक वर्ग आणि मित्रपरिवारही चांगला मिळाला. पुढे तर आम्हाला शिकविणारे दादा माझे मित्र झाले. खऱ्या अर्थाने परिवार तयार झाला व अभ्यास सुरू ठेवला. वैकल्पिक विषयाचा कमी वेळेमध्ये अभ्यास करण्यासाठी धर्माधिकारी सरांची खूप मदत झाली. मुख्य परीक्षेचे व वैकल्पिक विषयाचे सर्व पेपर मी धर्माधिकारी सरांकडून तपासून घेतले. पुढे मुख्य परीक्षेचा निकाल आला व मी उत्तीर्ण झाल्याचे समजले. मुलाखतीसाठी धर्माधिकारी सरांनी पुन्हा खूप मार्गदर्शन केले. शिवाय माझी मुलाखत चांगली जावी यासाठी माझ्या चाणक्य मंडलमधील अनेक मित्रांनी खूप प्रयत्न केले. पुढे UPSC उत्तीर्ण होऊन देशात ४९७ क्रमांक आला. धर्माधिकारी सर नेहमी म्हणतात तसे "UPSC उत्तीर्ण होऊन पद मिळणे हा प्रवासाचा शेवट नसून सुरुवात आहे. निवडीनंतर अधिक जबाबदारीने वागून देशसेवा करणे अपेक्षित आहे." त्याप्रमाणे सर्व ध्यानात ठेवून आणि मुख्य म्हणजे पाय जमिनीवर राहतील याकडे लक्ष देऊन वागण्याचा प्रयत्न सुरू आहे.

सुब्रमण्य केळकर (IPS,2021)

Excellence Over the Years

Civil Services करण्याचे Why आहे ते धर्माधिकारी सर यांच्या कडून मिळाले आणि How हे चाणक्य मंडल परिवार मध्ये मिळाले. इथली प्रत्येक व्यक्ती आपल्या कामाच्या पलीकडे जाऊन सुद्धा विद्यार्थांसाठी काम करत असते. माझ्या ह्या प्रवासात एकही अडथळा आला नाही तो फक्त चाणक्य मंडल परिवार मुळे. चाणक्य मंडल परिवारची Institutional Strength जेव्हा तुमच्या मागे उभी राहते तेव्हा आपण फक्त अभ्यास करायचं बाकी सगळ्या गोष्टीची काळजी घेतली जाते.

Samarth Shinde (AIR 255 - UPSC 2023)
